READ: From the Collector South Kanara Ref.R-12276-49 dated 29-6-49.

Submitted to Government.

2. In his letter cited the Collector of South Kanara has reported that consequent on the reintroduction of Intensive Procurement and Rural Rationing and the resultant movements the work has increased, that the Bengalgram and its products are controlled commodities, that the functions of the Reception Staff involve much responsibility like the maintenance of merchants' ledgers, preparation of proforma accounts, etc., and that these onerous duties cannot be done by the present Reception staff consisting of 1 Reception ~~Officer~~ Tahsildar, 1/Revenue Inspector, 1 Lower division clerk and 2 peons without detriment to efficiency. He has therefore asked for the employment of 1 Lower division clerk for work under the Reception Tahsildar in the South Kanara district.

Special/

3. During the pre-control period, there were 2 lower division clerks working under the Reception Tahsildar in the South Kanara district. Consequent on the decontrol one out of 2 posts of Lower division clerks was retrenched with reference to G.O.9 Food dated 6-1-48. As the Collectors are empowered to issue permits for gram for personal consumption and as they have to fix the price of gram on a statutory basis, the work will be on the increase. Further, the proposal of the Collector, South Kanara, will result in the revival of the post of the lower division clerk that was retrenched.

Mmp 3 g (R)

4. In the circumstances explained above the Board considers that the employment of one lower division clerk for reception work in the South Kanara district is necessary and it accordingly requests the Government to sanction the employment of a lower division clerk on Rs.45-90 per mensem from the date of employment till 31-3-50 or till the need ceases whichever is earlier for reception work in the South Kanara district.

5. The expenditure may be debited to '85 A Capital outlay on Provincial Schemes of State Trading - a. Grain supply schemes - 1. Establishment and other charges.

SUB: ESTABLISHMENT - Civil Supplies - Reception staff - Strengthening of - Proposals.

---

Until January 1948, the Reception staff attached to my office consisted of 1 Reception Tahsildar, 1 Reception Revenue Inspector 2 lower division clerks and 4 peons. On the abolition of procurement and rationing and of control over pulses, the post of the Reception Tahsildar was reduced to that of a Deputy Tahsildar with effect from February 1948, and in G.O.Ms.No.9 Food Department dated 6-1-48, one lower division clerk and one peon were disbanded. Again the post of one more peon was retrenched with effect from July 1948 (Please see Government Memorandum No.37491-E/48-2 dated 4-9-48). However, on the re-introduction of intensive procurement in 1948, the Government were pleased to sanction the conversion of the post of the Reception Deputy Tahsildar into one of a Tahsildar in G.O.Ms.No. 1039, Food Department dated 17-11-48. The present reception staff, therefore, consists of 1 Tahsildar, 1 Reception Revenue Inspector, 1 Lower division clerk and 2 peons.

2. I enclose a statement showing the volume of work turned out in the reception section during the year 1947 and 1948 and from January 1949 to April 1949. So far as the reception work is concerned the volume of work cannot be gauged with the statistics of papers disposed of in the section. The functions of the reception staff involves accountancy of 'Collector's personal deposit' maintenance of merchants' ledgers, preparation of proforma and similar accounts, compilation of many other statements, fixation of issue prices and settlement of claims of profit, interest, overcharges, undercharges, etc. all of which call close and careful scrutiny. The currents generally remain open for months together pending settlement of accounts. Consequent on the re-introduction of rural rationing and the resultant movements, the volume of work has considerably increased and reached the proportions of pre.decontrol period. Besides the Government have since imposed full control over Bengalgram and its products, the administration of which has thrown additional work on the staff. These onerous duties of the reception staff cannot be discharged with the skeleton staff of a single lower division clerk without prejudice to efficiency. The staff is, at present, working under heavy strain and unless immediate assistance is given, the work will go out of control and the periodical returns and reports due to the Board will be delayed. I therefore request, that the Board may be pleased to move the Government to sanction the appointment of one more lower division clerk for reception work.
